

ממדי הטמעת מודעות מגדרית בקורסים במכללה

GE-oriented courses

e.g., "gender aspects in public policy"; "Adolescence, identity and sexuality" etc.

At least one teaching unit or module about GE is included

e.g., a teaching unit: gender aspects in early childhood education; a teaching unit: a comparative analysis of stress and depression symptoms among women and men

At least one GE activity is included

e.g., relating to a GE-related article which is connected to the content of the teaching unit, a lesson dedicated to the gender topic, enabling students to submit papers about GE, at least one question about GE in the final exam

No GE references included in the course

It is highly recommended to consider the inclusion of at least one reference

At least one GE reference is included

e.g., addressing the GE issue in general, applying gender-sensitive language in the course documents, occasional inclusion of GE-related references in the syllabus
